

Guidance Lesson #2

October 1, 2014

Objective: Life after High School

Name:

Advisory Teacher:

Freshman:

Go through the *My Future, My Way: First Steps Toward College* book with your advisory teacher. Your teacher will discuss the book with you. Feel free to write in your book. This book is yours to keep for future planning. After discussing the book and the College Preparation Checklist Pamphlet, please answer the questions on the back of this sheet.

Sophomores:

Watch the video about going to college and choosing the right classes. Next, with your advisory teacher, discuss the College Preparation Checklist and 5 Ways to Find Career Ideas. After completing today's discussion, please answer the questions on the back of this sheet.

Juniors:

Watch the video about going to college. Next, with your advisory teacher, discuss the College Preparation Checklist and 5 Ways to Find Career Ideas. After completing today's discussion, please answer the questions on the back of this sheet.

Seniors:

Read and discuss the College Preparation Checklist. Next, watch the video about senioritis. Discuss. After completing today's discussion, please answer the questions on the back of this sheet.

- 1. What are your plans for after high school?**
- 2. Make one goal for yourself to complete this quarter from the College Preparation Checklist for your grade.**
- 3. What might be one obstacle that you might face in reaching your plans for after high school?**
- 4. How can you overcome the obstacle you discussed in #3?**
- 5. What is something new you learned from today's lesson or something you remembered?**
