

RHS @ RHS BINGO Rules and Regulations

Rationale: BINGO will go on each week at RHS for both students and staff. The purpose of this activity will be to acknowledge (not reward) students for expected behaviors.

How it works:

- 1. Each week staff members will have the opportunity to acknowledge students in their classes and/or elsewhere on the school campus for expected behaviors found on the RHS@ RHS matrix. Initially, we will target all expected behaviors found on the matrix. In the future, we may decide to work on targeted behaviors by adding extra emphasis on those certain behaviors.**
- 2. Staff will be given a BINGO sheet to display in the classroom. BINGO cards will also be on display in public areas such as the cafeteria, office, guidance office, library, gym, janitors' closets, etc.**
- 3. When staff want to acknowledge students, they will explain to the student what behavior is being acknowledged. The student will then write his/her name one time in a BINGO box of his/her choice. By the end of the week, there may be multiple names in the BINGO boxes. It is ok for more than one student's name to be in the same box. Once a student's name has been placed on a BINGO card, his/her name will remain on the card until BINGO is called on Thursday.**

By the end of the week, the goal should be to have as many boxes filled in on the BINGO card as is possible.

Note: It is important to acknowledge students for expected behaviors. This does not mean just rewarding students going above and beyond but students doing what they are supposed to do when they are supposed to do it.

4. At the end of the day on Thursday, we will call BINGO over the intercom. For example, the winning BINGO is B3. Any students' names on B3 on any BINGO card in the building will be winners!!
5. A cadet or someone official will pick up BINGO cards after BINGO is called on Thursday.
6. During Friday's announcements student winners will be recognized.
7. Each week, a staff member will also be randomly acknowledged as a staff BINGO winner!!
8. Winners will have until the next Thursday to claim a prize from Mrs. Oxford or Mrs. Cooley during a time that is convenient for the teacher and counselors.
