To Whom It May Concern:

This is to inform you of the status of Community Unit School District No. 2 asbestos management plans. It has been determined by the Illinois Department of Public Health and the Federal Environmental Protection Agency that asbestos is a potential health hazard, and precautions should be taken to avoid disturbing any asbestos containing materials.

As required, our buildings have been inspected for asbestos. Our most recent inspection was conducted on August 10, 2021 and a visual surveillance was conducted on January 25, 2022. The AHERA law requires that a visual surveillance of asbestos containing areas be completed every six months, and a re-inspection conducted every three years. Any evidence of disturbance or change in condition will be documented in the Management Plan as required.

The inspection/Management Plan is available for public review in each school's principal office between 9:00am – 3:00pm weekdays. The District plan can be reviewed weekdays from 9:00am – 3:00pm at the Superintendent's office. Should you wish to review the plans, please call to make an appointment between 8:00am – 3:00pm.

Any concerns relative to asbestos containing materials should be directed to Josh Quick, Superintendent at 1301 North Allen Street, Robinson, IL 62454 (618) 544-7511x101 or the Unit's maintenance supervisor Brent Rich, 1301 W. Main Street, Robinson, IL 62454 618-544-8715.

Sincerely,

Josh Quick, Superintendent
