District Policies

Equal Employment Opportunity and Minority Recruitment (5:10)

The School District shall provide equal employment opportunities to all persons regardless of their race; color; creed; religion; national origin; sex; sexual orientation; age; ancestry; marital status; arrest record; military status; order of protection status; unfavorable military discharge; citizenship status provided the individual is authorized to work in the United States; use of lawful products while not at work; being a victim of domestic or sexual violence; genetic information; physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation; pregnancy, childbirth, or related medical conditions; credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; or other legally protected categories. No one will be penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Pilot Program Act, 410 ILCS 130/.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The Nondiscrimination Coordinator may be the Superintendent or a Complaint Manager for the Uniform Grievance Procedure. The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers.

This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.

Employment At Will (5:270)

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in School Board policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Superintendent is authorized to make exceptions to employing non-licensed employees at-will but shall maintain a record of positions or employees who are not at-will.

Workplace Harassment Prohibited (5:20)

The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's race, religion, national origin, sex, sexual orientation, age, citizenship status, disability, or other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Title IX Grievance Procedure (2:265)

Discrimination on the basis of sex, including sex-based harassment, affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from discrimination on the basis of sex is an important District goal.

The District does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106), including against applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sex Discrimination Prohibited

Sex discrimination as defined in Title IX (Title IX Sex Discrimination) is prohibited. A District employee, agent, or student violates this prohibition whenever that person engages in conduct on the basis of sex that causes another person to be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any education program or activity operated by the District. Title IX Sex Discrimination includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and/or gender identity.

Sex-based harassment is a form of Title IX Sex Discrimination. Sex-based harassment occurs whenever a person engages in conduct on the basis of sex that satisfies one or more of the following:

1. A District employee, agent, or other person authorized by the District to provide an aid, benefit, or service under the District's education program or activity explicitly or impliedly conditions the provision of an aid, benefit, or service on a person's participation in unwelcome sexual conduct; or
2. Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the District's education program or activity; or
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 34 C.F.R. §106.2.

Definitions from 34 C.F.R. §106.2

Complainant means: (1) a student or employee who is alleged to have been subjected to conduct that could constitute Title IX Sex Discrimination; or (2) a person other than a student or employee who is alleged to have been subjected to conduct that could constitute Title IX Sex Discrimination and who was participating or attempting to participate in the District's education program or activity at the time of the alleged Title IX Sex Discrimination.

Complaint means an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged discrimination under Title IX.

Respondent means a person who is alleged to have violated the District's prohibition on Title IX Sex Discrimination.

Retaliation means intimidation, threats, coercion, or discrimination against any person by the District, a student, or an employee or other person authorized by the District to provide aid, benefit, or service under the District's education program or activity, for the purpose of interfering with any right or privilege secured by Title IX or its regulations, or because the person has reported information, made a Complaint, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under the Title IX regulations.

Making a Report

A person who wishes to make a report under this policy may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking.

School employees who receive information about conduct that reasonably may constitute Sex Discrimination under this policy shall promptly forward the report or information to the Title IX Coordinator. An employee who fails to promptly make or forward a report or information may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Title IX Coordinator:

Name:

Craig Beals

Address: 400 W Rustic, Robinson, IL 62454

Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors(4:165)

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program. The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, Curriculum Content;
 - b. Information in policy 7:250, Student Support Services, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children's Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:
 - a. A definition of prohibited grooming behaviors and boundary violations pursuant to policy 5:120, Employee Ethics; Conduct; and Conflict of Interest;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; 5:90, Abused and Neglected Child Reporting; 5:100, Staff Development Program; and 5:120, Employee Ethics; Conduct; and Conflict of Interest;; and
 - c. How to report child sexual abuse, grooming behaviors, and/or boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; and 5:90, Abused and Neglected Child Reporting.
3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and boundary violations with evidence-informed educational information that also includes:
 - a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, Employee Ethics; Conduct; and Conflict of Interest, and how to prevent child sexual abuse from happening;
 - b. Methods for how to report child sexual abuse, grooming behaviors, and/or boundary violations to authorities; and
 - c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, Student Support Services.

4. Provide parents/guardians of students in any of grades K through 8 with not less than five days' written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.

Abused and Neglected Child Reporting (5:90)

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Illinois Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1- 800-25-ABUSE or 1-800-252-2873 (within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement. Negligent failure to report occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678), or online at www.cybertipline.org/ or www.cybertipline.com. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the Acknowledgement of mandated Reporter Status form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.

The Superintendent will encourage all District educators to complete continuing professional development that addresses the traits and identifiers that may be evident in students who are victims

of child sexual abuse, including recognizing and reporting child sexual abuse and providing appropriate follow-up and care for abused students as they return to the classroom setting.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

The Superintendent shall notify the State Superintendent and the Regional Superintendent in writing when he or she has reasonable cause to believe that a license holder was dismissed or resigned from the District as a result of an act that made a child an abused or neglected child. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in the Act, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with the Act's requirements concerning the reporting of child abuse. If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

Education of Homeless Children (6:140)

Each child of a homeless individual and each homeless youth have equal access to the same free, appropriate public education, as provided to other children and youths, including a public pre-school education. A "homeless child" is defined as provided in the McKinney –Vento Homeless Assistance Act and the Ill. Education for Homeless Children Act. The Superintendent or designee shall act as or appoint a Liaison for Homeless Children to coordinate this policy's implementation.

A homeless child may attend the District school that the child attended when permanently housed or in which the child was last enrolled. A homeless child living in any District school's attendance area may attend that school.

The Superintendent or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Transportation shall be provided in accordance with the McKinney-Vento Homeless Assistance Act and State law. The Superintendent or designee shall give special attention to ensuring the enrollment and attendance of homeless children and youths who are not currently attending school. If a child is denied enrollment or transportation under this policy, the Liaison for Homeless Children shall immediately refer the child or his or her parent/guardian to the ombudsperson appointed by the Regional Superintendent and provide the child or his or her parent/guardian with a written explanation for the denial. Whenever a child and his or her parent/guardian who initially share the housing of another person due to loss of housing, economic hardship, or a similar hardship continue to share the housing, the Liaison for homeless Children shall, after the passage of 18 months and annually thereafter, conduct a review as to whether such hardship continues to exist in accordance with State law.

Release During School Hours (7:90)

For safety and security reasons, a prior written or oral consent of a student's custodial parent/guardian is required before a student is released from school: (1) at any time other than the regular dismissal times or other times when a school is officially closed, and/or (2) to any person other than the custodial parent/guardian.

Early Dismissal Announcement

The Superintendent shall make reasonable efforts to issue an announcement whenever it is necessary to close school early due to inclement weather or other reason.

Student Records (7:340)

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 17 years who has been arrested or taken into custody.

State and federal law grants students and parents/guardians certain rights, including the right to inspect, copy, and challenge school student records. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to

that child. The District may release directory information as permitted by law, but a parent/guardian shall have the right to object to the release of information regarding his or her child. However, the District will comply with an *ex parte* court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to, or the consent of, the student's parent/guardian. Upon request, the District discloses school student records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law.

The Superintendent shall fully implement this policy and designate an *official records custodian* for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.

Student Biometric Information Collection

The Superintendent or designee may recommend a student biometric information collection system solely for the purposes of identification and fraud prevention. Such recommendation shall be consistent with budget requirements and in compliance with State law. Biometric information means any information that is collected through an identification process for individuals based on their unique behavioral or physiological characteristics, including fingerprint, hand geometry, voice, or facial recognition or iris or retinal scans.

Before collecting student biometric information, the District shall obtain written permission from the person having legal custody/parental responsibility or the student (if over the age of 18). Upon a student's 18th birthday, the District shall obtain written permission from the student to collect student biometric information. Failure to provide written consent to collect biometric information shall not be the basis for refusal of any services otherwise available to a student.

All collected biometric information shall be stored and transmitted in a manner that protects it from disclosure. Sale, lease, or other disclosure of biometric information to another person or entity is strictly prohibited.

The District will discontinue use of a student's biometric information and destroy all collected biometric information within 30 days after: (1) the student graduates or withdraws from the School District, or (2) the District receives a written request to discontinue use of biometric information from the person having legal custody/parental responsibility of the student or the student (if over the age of 18). Requests to discontinue using a student's biometric information shall be forwarded to the Superintendent or designee.

The Superintendent or designee shall develop procedures to implement this policy consistent with State and federal law.

Fingerprinting and Criminal Background Checking Policy(5:30)

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the

Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, or for purposes of clarifying the information, the Ill. Dept. of State Police and/or Statewide Sex Offender Database. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction 11 for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment. The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.

1. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
2. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
3. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
4. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
5. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
6. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
7. The District provides equal employment opportunities to all persons. See policy 5:10, Equal Employment Opportunity and Minority Recruitment.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving direct contact with children or students, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board

Accident Reporting and Investigation

Employees must report any accident or injury to their building administrator immediately following the accident or injury. Employees will assist in completing an accident/injury report and update administration regarding recovery from accidents or injuries following doctor visits. The Administration will investigate all accidents and injuries and report to the Superintendent efforts to prevent any further accidents and injuries.

Drug- and Alcohol-Free Workplace

All District workplaces are drug- and alcohol-free workplaces. All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being on call for the District:

An employee is on call when the employer schedules him or her with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the employer's location or another previously-designated location. 820 ILCS 55/5, amended by P.A. 101- 27. Consult the board attorney regarding how the board wants to treat employees who may be considered on call, e.g., superintendents, principals, coaches, and/or maintenance workers, etc.

1. Unlawful manufacture, dispensing, distribution, possession, or use, of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.

Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to Ashley's Law, 105 ILCS 5/22-33.7. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests the specific articulable symptoms listed in the Cannabis Regulation and Tax Act (CRTA):

Specific articulable symptoms listed in 410 ILCS 705/10-50(d), added by P.A. 101-27, include: the employee's speech, physical dexterity, agility, coordination, demeanor, irrational or unusual behavior, or negligence or carelessness in operating equipment or machinery; disregard for the safety of the employee or others, or involvement in any accident that results in serious damage to equipment or property; disruption of a production or manufacturing process; or carelessness that results in any injury to the employee or others. In contrast to the CRTA, the MCPA, while listing the same specific, articulable, symptoms, does not require an employer to have a good faith belief that a registered qualifying patient is under the influence of cannabis. 410 ILCS 130/50(f), and scheduled to be repealed on 7-1-20.

For purposes of this policy a controlled substance is one that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or state controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the CRTA in addition to District and school building, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. School grounds means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

410 ILCS 705/10-35 and 10-50(a), added by P.A. 101-27 allows reasonable, nondiscriminatory, zero-tolerance policies. If the district seeks to discipline an employee on the basis that he or she is under the influence of or impaired by cannabis, it must afford the employee a reasonable opportunity to contest the basis of the determination. Id. at 10-50(d), added by P.A. 101-27. Contact the board attorney for advice concerning this provision and whenever the district seeks disciplinary action or dismissal of an employee on the basis of the cannabis prohibitions in the policy.

In addition to a zero-tolerance policy, the CRTA also allows civil, criminal, or other penalties for:

1. Engaging in tasks under the influence of cannabis when doing so would constitute negligence, professional malpractice, or professional misconduct (410 ILCS 705/10- 35(a)(1));
2. Possessing cannabis on a school bus or on school grounds (Id. at 10-35(a)(2)(A)-(B) unless permitted under the MCPA);
3. Using cannabis on a school bus or on school grounds (Id. at 10-35(a)(3)(A)-(B) unless permitted under the MCPA);
4. [Using cannabis] in a public place [while impaired or under the influence of cannabis](Id. at 10-35(a)(3)(F));
5. Knowingly being [impaired by or under the influences of cannabis] in close physical proximity to anyone under 21 years of age who is not a registered medical cannabis patient under the MCPA (Id. at 10-35(a)(3)(G));
6. Smoking [and/or vaping (see f/n 18, below for a definition of vaping)] it in any place where smoking is prohibited under the Smoke Free Illinois Act (Id. at 10-35(a)(4));
7. Using [cannabis] as an on-duty law enforcement officer, corrections officer, probation officer, or firefighter (Id. at 10-35(a)(8));
8. [Using cannabis while [b]eing on duty as an individual holding a school bus permit or Commercial Driver's License (Id. at 10-35(a)(9)).

410 ILCS 705/10-35 and 10-50(a), added by P.A. 101-27, allows employers to prohibit cannabis in the workplace. Many attorneys agree it is a best practice for employers to define workplace in policies that prohibit cannabis. 410 ILCS 705/10-50(h), added by P.A. 101-27, defines workplace as the employer's premises, including any building, real property, and parking area under the control of the employer or area used by an employee while in performance of the employee's job duties, and vehicles, whether leased, rented, or owned – and may be further defined by the employer's written policy when it is consistent with this definition.

This policy's definition of workplace expands the above CRTA definition to areas that board policy and/or the School Code impose duties upon districts to keep students safe, including:

1. The school property definition from policy 8:30, Visitors to and Conduct on School Property;
2. The school grounds definition at 105 ILCS 5/10-27.1A(d); and 3. Places that school districts must prevent and respond to bullying, including vehicles used for school purposes. 105 ILCS 5/27-23.7(a).

As a condition of employment, each employee shall:

1. Abide by the terms of the District policy respecting a drug- and alcohol-free workplace; and

2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than 5 calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy;
2. Post notice of this policy in a place where other information for employees is posted;
3. Make available materials from local, state, and national anti-drug and alcohol-abuse organizations;
4. Enlist the aid of community and state agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees;
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, Curriculum Content, requires the District to educate students, depending upon their grade, about drug and substance prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, Visitors to and Conduct on School Property. The prohibition on the use of e-cigarettes, tobacco, and cannabis products, applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco shall have the meaning provided in 105 ILCS 5/10-20.5b. Cannabis shall have the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

While 720 ILCS 675, amended by P.A. 101-2, excludes e-cigarettes from its definition of tobacco, it does not address vaporization. Prohibiting e-cigarettes aligns with the district's obligation to maintain a safe, smoke-free environment and is logical extension of 105 ILCS 5/10-20.5b, The Smoke Free Illinois Act (410 ILCS 82/), and The Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act, 720 ILCS 675, amended by P.A. 101-2 (raising the legal age to buy tobacco and e-cigarette products to 21 years of age). In addition, the U.S. Food and Drug Administration now regulates e-cigarettes. 21 C.F.R. Parts 1100, 1140, and 1143, amended by 81 Fed.Reg. 28973.

E-Cigarettes may resemble cigarettes but contain a battery-operated heating element that turns a liquid into an aerosol (or vapor) that sometimes includes nicotine, flavorings, and other chemicals. The act of inhaling and exhaling the aerosol is known as vaping. See www.centeronaddiction.org/e-cigarettes/recreational-vaping/what-vaping. For ease of administration, this policy treats vaping, whether tobacco products or not, and smoking tobacco the same due to the outbreaks of lung disease associated with the use of e-cigarettes and vaping. Some e-cigarettes do not look like tobacco products; they are designed to resemble other objects, such as USB flash drives, to be more easily concealed. Like smoking tobacco, vaporization products may include nicotine, which is derived from and is the addictive drug in tobacco, and other potentially harmful chemicals. See Tobacco/Nicotine and E-Cigs at: www.drugabuse.gov/drugs-abuse/tobacconicotine-e-cigs. Unlike smoking tobacco, vaping does not produce smoke, but rather the aerosol, often mistaken for water vapor and consisting of fine particles. Many of these particles contain varying amounts of toxic chemicals, which have been linked to cancer and respiratory and heart disease. An outbreak of lung disease has been associated with e-cigarette use and vaping

Drug and Alcohol Testing

To support the policy of a drug and alcohol free workplace, testing for alcohol, drugs & chemical substances may be required under the following circumstances:

1. Pre-Employment

As part of the application process, no applicant-testing positive will be employed. This includes all applicants for employment and re-employment, whether for temporary, part-time or full-time positions.

2. Post-Accident

After a work-related accident where judgment, coordination or physical or mental ability may have been impaired.

3. Reasonable Suspicion

Based on reasonable suspicion for conduct or appearances that suggest the use or abuse of controlled substances. Whenever the District has reasonable suspicion to believe an employee has consumed or used or is under the influence of alcohol, illegal drugs, a controlled substance, or cannabis during the course of the work day. Supervisory personnel shall ascertain whether reasonable suspicion exists and document the basis for any reasonable suspicion prior to testing. The employee shall be provided a copy of the basis for any reasonable suspicion.

4. Periodic or Random

On an unannounced and random basis for those working in a safety sensitive position.

District Action upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. Alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse, employee-assistance rehabilitation program.

The Board of Education shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate

State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Board reserves the right to interpret, revise, or discontinue any provision of this policy pursuant to the Suspension of Policies subhead in policy 2:240, Board Policy Development.

Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers (5:285)

The District shall adhere to State and federal law and regulations requiring a drug and alcohol testing program for school bus and commercial vehicle drivers. The Superintendent or designee manages a program to implement State and federal law defining the circumstances and procedures for the testing.

Public Information Process

The Principal and Superintendent are the public relations officers of the school. Contacts with the media should be routed through the Principal first and then the Superintendent. If a member of the media contacts an employee about a school related issue, the Principal and/or Superintendent should be informed.

Responsibilities Concerning Internal Information (5:130)

District employees are responsible for maintaining: (1) the integrity and security of all internal information, and (2) the privacy of confidential records, including but not limited to: student school records, personnel records, and the minutes of, and material disclosed in, a closed School Board meeting. Internal information is any information, oral or recorded in electronic or paper format, maintained by the District or used by the District or its employees. The Superintendent or designee shall manage procedures for safeguarding the integrity, security, and, as appropriate, confidentiality of internal information.

Solicitation and Distribution

Employees may not solicit or distribute literature concerning outside events or activities during the employee's working time or the working time of any employee. (Working time does not include lunch periods, work breaks, or any periods in which employees are not on duty). In addition, the posting of written solicitations or literature on District bulletin boards is restricted. These bulletin boards display important information and employees should consult them frequently for: Employee Announcements, Internal Memoranda, Job Openings, Organization Announcements, Payday Notice, Worker's Compensation Insurance information, etc. If employees have a message of interest to the workplace, they may submit it to administration for approval.

Employee Ethics; Conduct; and Conflict of Interest (5:120)

Professional and Appropriate Conduct

All District employees are expected to maintain high standards in their school relationships, to demonstrate integrity and honesty, to be considerate and cooperative, and to maintain professional relationships with students, parents, staff members, and others. In addition, the *Code of Ethics for Illinois Educators*, adopted by the Illinois State Board of Education, is incorporated by reference into this policy. Any employee who sexually harasses a student or otherwise violates an employee conduct standard will be subject to discipline up to and including dismissal.

In accordance with Section 25-5 of the School Code, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of instructional materials listed with the Illinois State Board of Education and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in the entity selected for the contract:

1. Any person that has a close personal relationship with an employee that may compromise or impair the employee's fairness and impartiality, including a member of the employee's immediate family or household;
2. An employee's business partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in
4. one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or contracts. Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

Access to Electronic Networks (6:235)

Electronic networks, including the Internet, in the District's instructional program are a part of the District's instructional program in order to promote educational excellence by facilitating resource sharing, innovation, and communication. The Superintendent or designee shall develop an implementation plan for this policy and appoint system administrator(s).

The School District is not responsible for any information that may be lost or damaged, or become unavailable when using the network, or for any information that is retrieved or transmitted via the Internet. Furthermore, the District will not be responsible for any unauthorized charges or fees resulting from access to the Internet.

Curriculum and Appropriate Online Behavior

The use of the District's electronic networks shall: (1) be consistent with the curriculum adopted by the District as well as the varied instructional needs, learning styles, abilities, and developmental levels of the students, and (2) comply with the selection criteria for instructional materials and library resource center materials. As required by federal law and Board policy 6:60, *Curriculum Content*, students will be educated about appropriate online behavior, including but not limited to: (1) interacting with other individuals on social networking websites and in chat rooms, and (2) cyberbullying awareness and response. Staff members may, consistent with the Superintendent's implementation plan, use the Internet throughout the curriculum.

The District's electronic network is part of the curriculum and is not a public forum for general use.

Acceptable Use

All use of the District's electronic network must be (1) in support of education and/or research, and be in furtherance of the Board of Education's stated goal, or (2) for a legitimate school business purpose. Use is a privilege, not a right. Students and staff members have no exception of privacy in any material that is stored, transmitted, or received via the District's electronic network or District computers. General rules for behavior and communications apply when using electronic networks. The District's Authorization for Electronic Network Access contains the appropriate uses, ethics, and protocol. Electronic communications and downloaded material, including files deleted from a user's account but not erased, may be monitored or read by school officials.

Internet Safety

Technology protection measures shall be used on each District computer with Internet access. They shall include a filtering device that protects against Internet access by both adults and minors to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by federal law and as determined by the Superintendent or designee. The Superintendent or designee shall enforce the use of such filtering devices. An administrator, supervisor, or other authorized person may disable the filtering device for bona fide research or other lawful purpose, provided the person receives prior permission from the Superintendent or system administrator.

The Superintendent or designee shall include measures in this policy's implementation plan to address the following:

1. Ensure staff supervision of student access to online electronic networks,
2. Restrict student access to inappropriate matter as well as restricting access to harmful materials,
3. Ensure student and staff privacy, safety, and security when using electronic communications,
4. Restrict unauthorized access, including “hacking” and other unlawful activities,
5. Restrict unauthorized disclosure, use, and dissemination of personal identification information, such as, names and addresses.

Authorization for Electronic Network Access

Any staff member must sign the District's Authorization for Electronic Network Access as a condition for using the District's electronic network. Each student and his or her parent(s)/guardian(s) must sign the Authorization before being granted unsupervised use.

All users of the District's computers to access the Internet shall maintain the confidentiality of student records. Reasonable measures to protect against unreasonable access shall be taken before confidential student information is loaded onto the network.

The failure of any student or staff member to follow the terms of the Authorization for Electronic Network Access, or this policy, will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

Use of Technical Resources

Robinson CUSD #2 maintains photocopiers, facsimile machines, and printers. Utilization of these technical resources is not to be conducted in any way that may be disruptive to Robinson CUSD #2 operations or in violation of Robinson CUSD #2 policy or law.

Robinson CUSD #2 technical resources are provided exclusively to assist in the conduct of the District's business; however, occasional use of technical resources for personal purposes is

permissible so long as it does not interfere with business or the employee's assigned duties, is not related to outside school business activities, does not conflict the District's policy or law, and is approved by the building principal.

Information sent and stored on facsimile machines is the property of Robinson CUSD #2. By using the District's technical resources, all individuals knowingly and voluntarily consent to their usage being monitored and acknowledge the District's right to conduct such monitoring. Individuals should not expect that facsimile transmissions are confidential or private, and should be aware that all types of business records are subject to inspection, review, or disclosure without prior notice for any business purpose or as required by law. In general, these communications are treated no differently than any other business record or correspondence, and may be used in administrative, judicial, or other proceedings.

Schedules & Employment Year (5:300)

The Superintendent shall supervise a process for setting work schedules and an employment year for educational support employees in accordance with State and federal law, School Board policy, and applicable agreements and shall:

1. Assign each employee one supervisor who will establish a work schedule including breaks, as required by building or District needs, work load, and the efficient management of human resources;
2. Allow for the ability to respond to changing circumstances by altering work schedules as needed; and
3. Consider the well-being of the employee. The Superintendent's approval is required to establish a flexible work schedule or job-sharing.

Public Relations and Telephone Calls

It is important that District phones be kept clear for District business. Personal calls are acceptable; however, proper discretion is advised. First impressions are very important and when answering the phone employees shall greet the caller with "Good Morning or Good Afternoon, Robinson CUSD #2, John/Jane Doe speaking." Employees who answer the phone should do so promptly and in a businesslike manner. Employees will be held responsible for paying for all non-business-related long distance phone calls.

Cellular Phone Policy

This policy outlines the use of personal cell phones at work, the personal use of District cell phones and the safe use of cell phones by employees. This policy applies to phone calls, text messaging, pictures, etc. Robinson CUSD #2 does not expect employees to use their personal cell phones for business use.

Personal Cellular Phones

While at work employees are expected to exercise the same discretion in using personal cellular phones as is expected for the use of District phones. Excessive personal calls during the workday, regardless of the phone used, can interfere with employee productivity and be distracting to others. Employees are therefore encouraged to make personal calls on non-work time where possible and to ensure that friends and family members are aware of the District's policy. Flexibility will be provided in circumstances demanding immediate attention.

The District will not be liable for the loss of personal cellular phones brought into the workplace.

Personal Use of District-Provided Cellular Phones

Where job responsibilities or District needs demand immediate access to an employee the District may issue a District cell phone to an employee for District-related communications. In order to protect the employee from incurring a tax liability for the personal use of this equipment, employees will be required to reimburse the District for any personal calls on a District issued cell phone. Phone logs will be audited regularly to ensure compliance with this policy.

Safety Issues for Cellular Phone Use

The odds of being involved in a safety-critical event are three times greater when the driver is reaching for an object. The odds of being involved in a safety-critical event are six times greater while the driver is dialing a cell. Although Illinois bans the use of handheld cell phones while driving in a school zone or in a highway construction zone, it is the district's policy that all employees may not use cell phones, text messaging units or other wireless telecommunications devices. Any employee who, on work time, talks on a cell phone while driving will be subject to discipline, regardless of whether the employee has an accident.

Employees whose job responsibilities do not specifically include driving as an essential function, but who are issued a cell phone for District use, are also expected to abide by the provisions above. Under no circumstances are employees allowed to place themselves at risk to fulfill District needs.

Employees who are charged with traffic violations resulting from the use of their phone while driving will be solely responsible for all liabilities that result from such actions.

District Tools and Equipment

The District may supply all equipment, tools, or other items to assist in the performance of duties. All items shall be collected at the end of the workday and returned to their proper location.

District Vehicles

All employees must get authorization to use District vehicles. When using District vehicles, employees must follow all State and Federal laws. Employees shall pay any tickets in violation of the law. An employee must agree to pre-employment and regular checks of MVR and are required to maintain a good driving record in order to drive District vehicles.

Parking

All employees shall park on District premises in a designated area. Employees will refrain from parking in designated visitor parking and handicap parking spaces.

Dress Standards

The District's image is reflected in employees' dress and appearance which must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, or decency. Good grooming and tasteful attire is essential.

Please see specific department's uniform and personal appearance guidelines.

Communicable and Chronic Infectious Disease (5:40)

The Superintendent shall develop and implement procedures for dealing with known or suspected cases of a communicable and chronic infectious disease involving a District employee consistent

with State and federal law, rules of the Illinois Department of Public Health, and School Board policies.

An employee with a communicable or chronic infectious disease is encouraged to inform the Superintendent immediately and grant consent to being monitored by the District's communicable and Chronic Infectious Disease Review Team. The Review Team, if used, provides information and recommendations to the Superintendent concerning the employee's conditions of employment and necessary accommodations. The Review Team shall hold the employee's medical condition and records in strictest confidence, except to the extent allowed by law.

An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions. An employee with a communicable and chronic infectious disease remains subject to the Board's employment policies including sick and/or other leave, physical examinations, temporary and permanent disability, and termination.

Bloodborne Pathogens

The District recognizes the potential risk its staff has to accidental occupational exposure to bloodborne pathogens and desires to educate and protect employees to minimize the possibility of exposure. The Bloodborne Pathogens Exposure Control Plan contains specific information regarding the District's policies and procedures.

All employees of the District are instructed as to the correct handling of body fluids and tissue. All positions in the District have been categorized into classifications to determine the likelihood of occupational exposure to blood, body fluids or tissue from other people. Classification I employees hold positions in which required tasks routinely involve a potential for that exposure. These employees and all others who are involved in an exposure incident are entitled to receive vaccinations for Hepatitis B at the District's expense. Classification I employees receive a handbook and appropriate cleanup materials to properly handle incidents.

Administering Medicines to Students (7:270)

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form* is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parent(s)/guardian(s) of students.

Self-Administration of Medication

A student may possess an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a *School Medication Authorization Form*. The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector and/or medication, or the storage of any medication by school personnel. School District Supply of Undesignated Asthma Medication

The Superintendent or designee shall implement Section 22-30(f) of the School Code and maintain a supply of undesignated asthma medication in the name of the District and provide or administer them as necessary according to State law. *Undesignated asthma medication* means an asthma medication prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated asthma medication to a person when they, in good faith, believe a person is having *respiratory distress*. Respiratory distress may be characterized as *mild-to-moderate* or *severe*. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Epinephrine Injectors

The Superintendent or designee shall implement Section 22-30(f) of the School Code and maintain a supply of undesignated epinephrine injectors in the name of the District and provide or administer them as necessary according to State law. *Undesignated epinephrine injector* means an epinephrine injector prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated epinephrine injector to a person when they, in good faith, believe a person is having an anaphylactic reaction. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Opioid Antagonists

The Superintendent or designee shall implement Section 22-30(f) of the School Code and maintain a supply of undesignated opioid antagonists in the name of the District and provide or administer them as necessary according to State law. *Opioid antagonist* means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration. *Undesignated opioid antagonist* is not defined by the School Code; for purposes of this policy it means an opioid antagonist prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated opioid antagonist to a person when they, in good faith, believe a person is having an opioid overdose. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law. See the website for the Ill. Dept. of Human Services for information about opioid prevention, abuse, public awareness, and a toll-free number to provide information and referral services for persons with questions concerning substance abuse treatment.

Designated Caregiver Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Pilot Program Act allows a parent/guardian of a student who is a minor to register with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:

1. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
2. Copies of the registry identification cards are provided to the District; and
3. That student's parent/guardian completed, signed, and submitted a *School Medication Authorization Form - Medical Cannabis*.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

After administering the product to the student, the designated caregiver shall immediately remove it from school premises or the school bus. The product may not be administered in a manner that, in the opinion of the District or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver pursuant to this policy is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **School District Supply of Undesignated Asthma Medication** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated asthma medication from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school asthma medication.

The **School District Supply of Undesignated Epinephrine Injectors** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated epinephrine injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school epinephrine injectors.

The **School District Supply of Undesignated Opioid Antagonists** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for opioid antagonists from a health care professional who has been delegated prescriptive authority for opioid antagonists in accordance with Section 5-23 of the Substance Use Disorder Act, or (2) fill the District's prescription for undesignated school opioid antagonists.

The ***Designated Caregiver Administration of Medical Cannabis*** section of the policy is void and the District reserves the right not to implement it if the District or school is in danger of losing federal funding.

Administration of Undesignated Medication

Upon any administration of an undesignated asthma medication, epinephrine injector, or an opioid antagonist, the Superintendent or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Disclaimers

Upon implementation of this policy, the protections from liability and hold harmless provisions as explained in Section 22-30(c) of the School Code apply.

No one, including without limitation parent(s)/guardian(s) of students, should rely on the District for the availability of undesignated asthma medication, an undesignated epinephrine injector, and/or an undesignated opioid antagonist. This policy does not guarantee the availability of undesignated medications. Students and their parent(s)/guardian(s) should consult their own physician regarding these medication(s).

Convicted Child Sex Offender

State law prohibits a child sex offender from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present, unless the offender is:

1. A parent/guardian of a student attending the school and the parent/guardian is (i) attending a conference at the school with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion and notifies the Building Principal of his or her presence at the school; or

Authorized agents of an exclusive bargaining representative, upon notifying the Building Principal's office, may meet with a school employee (or group of employees) in the school building during free times of such employees.

Enforcement

Any staff member may request identification from any person on school property; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

Any person who engages in conduct prohibited by this policy may be ejected from school property. The person is also subject to being denied admission to school events or meetings for up to one calendar year.

Procedures to Deny Future Admission to School Events or Meetings

Before any person may be denied admission to school events or meetings as provided in this policy, the person has a right to a hearing before the Board. The Superintendent may refuse the person admission pending such hearing. The Superintendent or designee must provide the person with a hearing notice, delivered or sent by certified mail with return receipt requested, at least 10 days before the Board hearing date. The hearing notice must contain:

1. The date, time, and place of the Board hearing;
2. A description of the prohibited conduct;
3. The proposed time period that admission to school events will be denied; and
4. Instructions on how to waive a hearing.

Employment Status

Employment Status

Duties & Qualifications (5:280)

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations, endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE)

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Non-certificated Personnel Working with Students Performing Non-Instructional Duties

Non-certificated personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio) detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities;
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a non-certificated person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. The coach for an extracurricular athletic activity sponsored or sanctioned by the Illinois High School Association (IHSA) at or above the ninth grade level must have completed the IHSA's educational program and competency testing on preventing abuse of performance-enhancing substances. Regardless of whether the athletic activity is regulated by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automatic External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State within 30 days of being informed by a school bus driver,

that the bus driver permit holder has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

Compliance with Fair Labor Standards Act (5:35)

Job Classifications

The Superintendent will ensure that all job positions are identified as either “exempt” or “nonexempt” according to State Law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are “exempt” or “non exempt.” “Exempt” and “non-exempt” employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by the FLSA minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00am Saturday until 11:59pm Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. “Overtime” is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor’s express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee’s written pre-approval of any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

Suspension without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Certificated employees may be suspended without pay in accordance with Board policy 5:240, *Professional Personnel – Suspension*. Non-certificated employees may be suspended without pay in accordance with Board policy 5:290, *Educational Support Personnel – Employment Termination and Suspensions*.

Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

Employment Termination and Suspensions (5:290)

Resignation and Retirement

An employee is requested to provide 2 weeks’ notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least 2 months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent that they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees. Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended, proceeding with:
 - a. A suspension with pay; or
 - b. A suspension without pay.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Reporting Absences & Attendance

To maintain a productive work environment, the District expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the District. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they are required to notify their supervisor as soon as possible before they are scheduled to work.

Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including discharge. Absence of three working days without reporting will be considered a voluntary resignation.

Unapproved Absences/Dock Days

Any unapproved absence shall result in the following disciplinary action:

- 1st offense – Verbal
- 2nd offense – Written Warning
- 3rd offense – Final Written Warning
- 4th offense – Termination

Unapproved absences shall be defined as any absence without prior approval and/or without available sick or personal business time to be used. Employees shall be required to exhaust all available personal, sick, and vacation before the use of dock days. Any tardiness of fifteen (15) minutes or more shall also be considered an unapproved absence. Offenses shall be removed one year after the date that they have occurred. If any employee commits four (4) offenses within a twelve (12) month period, they shall be subject to termination. Employee absences due to Family and Medical Leave will be excluded from any discipline.

If an employee incurs an unapproved absence as the result of an emergency, the Employer may, at their discretion, **waive** disciplinary action.

Employment Record/Employee Status Changes

Any changes in name, address, phone numbers, marital status, and persons to be contacted in case of an emergency must to be turned into the Unit Office as soon as possible in order to keep your records current.

Compensation Policies

Payroll Period/Time Cards/Pay Day

All non-exempt employees are paid bi-monthly on the 10th and 25th of each month. If these dates fall on a holiday or weekend, then payroll will be completed on the last work day prior to that holiday or weekend. Each pay summary will include earnings for all work performed through the end of the previous payroll period.

We provide direct deposit for all employees to simplify payroll processing. Employee's payroll earnings will be deposited directly into their checking or savings account as designated on the payroll deduction authorization form and acknowledged on the payroll record. Please note that the District deposits payroll earnings to our main bank, which is subsequently deposited to employees individual banks based on the schedule for posting at each local banking facility.

Accurately recording time worked is the responsibility of every non-exempt employee. Time worked is all the time actually spent on the job performing assigned duties. Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action up to and including discharge. Both the administrator/supervisor and the employee can be held responsible for any of these dishonest actions, which may result in criminal prosecution. All non-exempt employees shall ensure accurate reporting of hours worked and shall sign completed time record.

The building administrator/supervisor will review and then sign the time record before submitting it to payroll for processing. In addition, if the employee makes corrections or modifications to the time record, the administrator/supervisor must verify the accuracy of the changes by signing the time record. Time is calculated by using a fifteen-minute interval for determining "hours worked" and recording of time worked by all non-exempt employees.

Meal & Break Periods (5:300)

An employee who works at least 7.5 continuous hours shall receive a 30-minute duty-free meal break that begins within the first five hours of the employee's workday. The District accommodates employees who are nursing mothers according to State and federal law.

Expenses (5:60)

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The District is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the District's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.

2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
3. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.
4. Advancements

The Superintendent may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations

Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, *Use of Credit and Procurement Cards*.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Copies of airline tickets must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, or other local transportation costs.

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Miscellaneous Expenses

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Benefits

Benefits

Holidays (5:330)

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25 or 24-2(b) allowing it to schedule school on a holiday listed below, District employees will not be required to work on:

New Year's Day	Independence Day
Martin Luther King Jr. Birthday	Labor Day
President's Day	Columbus Day
Casimir Pulaski's Birthday	Veteran's Day
Good Friday	Thanksgiving Day
Memorial Day	Christmas Day

A Holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Religious Holidays (5:70)

The Superintendent shall grant an employee's request for time off to observe a religious holiday if the employee gives at least 5 days prior notice and the absence does not cause an undue hardship.

Employees may use earned vacation time, or personal leave to make up the absence, provided such time is consistent with the District's operational needs. A per diem deduction may also be requested by the employee.

Sick Leave (5:330)

Full or part-time educational support personnel who work at least 600 hours per year receive 12 paid sick leave days per year. Part-time employees will receive sick pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 360 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, quarantine at home, or serious illness, or death in the immediate family or household. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence or personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a

leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

Personal Leave (5:330)

Full-time educational support personnel have two personal leave days per year. Unused personal leave shall accumulate to a maximum of five (5) days. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal at least 24 hours before the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last 5 days of the school year, unless the Superintendent grants prior approval.
3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave is subject to any necessary replacement's availability.
5. Personal leave may not be used on an in-service training day.
6. Personal leave may not be used when the employee's absence would create an undue hardship.

Vacation (5:330)

Twelve(12) month full-time employees shall receive paid vacation as follows. School year and part-time employees shall not be eligible for vacation pay.

Vacation days will be earned on a prorated basis after one(1) year of service until the next school fiscal year begins.

Employees who begin employment in August or September will earn up to four(4) days.

Employees who begin employment in October, November, or December will earn up to three(3) days.

Employees who begin employment in January, February, or March will earn up to two(2) days. Employees who begin employment in April, May, or June will earn up to one(1) day.

Length of Employment		Maximum Vacation Leave Earned Per Year
From:	To:	
Beginning of year 2	End of year 2	5 days
Beginning of year 3	End of year 10	10 days
Beginning of year 11	End of year 24	15 days
Beginning of year 25		20 days

School year/part-time employees are not eligible for vacation pay. The superintendent will determine the procedure for requesting vacation.

Vacation days earned in one (1) fiscal year must be used by the end of that fiscal year (June 30), and shall not accumulate.

Compensatory Time-Off (5:310)

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1 ½ hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

Employees may purchase dependent coverage at an additional cost. *See official plan documents for complete details.*

Life Insurance

The District may provide Life Insurance for eligible full-time employees. *See official plan documents for complete details.*

Illinois Municipal Retirement Fund

Employees who are expected to work 600 or more hours per year must contribute to the Illinois Municipal Retirement Fund ("IMRF"). These employees are considered participating members of the IMRF and will have the appropriate deductions made from their salary. The District will contribute the amount designated by the IMRF in the name of the employee. Employees who are expected to work less than 600 hours per year are considered nonparticipating members of the Fund.

Ancillary Insurance Coverage

Employees interested in disability, cancer, or intensive care insurance may purchase this on their own running the premiums through our payroll deduction program. The District offers this as an administrative service only to the employee. Inquiries relating to any ancillary insurance should be directed to the insurance agent. The District makes no representations with respect to any ancillary insurance coverage and any administrative assistance provided shall not be construed as endorsing such insurance coverage. For more information, please contact the office.

COBRA Insurance

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their dependents (qualified beneficiaries) the opportunity to continue health insurance coverage under our health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; or a dependent child who no longer meets eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage of the group rates plus administration fee.

We provide each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the health insurance plan. The notice contains important information about the employee's rights and obligations.

It is the employee's responsibility to inform the Plan Administrator of the following events for eligibility purposes:

- The participant becomes entitled to Medicare benefits
- The participant and spouse become divorced
- The participant and spouse become legally separated
- A participant's child ceases to be a dependant under the plan

Section 125

Employees can save tax dollars by enrolling in this multi-option plan. This account allows employees to withhold pre-tax dollars from their paycheck to pay:

1. Group Health Insurance Premiums

2. Premiums for any qualified individual ancillary insurance (disability coverage may not be deducted pretax) you may have purchased.

The benefits eligibility date must have been reached for this benefit to become effective. Elections may only be changed during the annual election period, which is from November to December of each year. Allowable expenses include only those that were incurred during the plan year. Expenses may be submitted up to 60 days following the end of the plan year. Contributions not used will be forfeited in accordance with federal law.

Court Duty (5:80)

The District will pay full salary during the time an employee is on jury duty or, pursuant to a subpoena, serves as a witness or has a deposition taken in any school-related matter pending in court.

The District will deduct the court duty remuneration, less mileage and meal expenses, from the employee's compensation.

An employee should give at least five days' prior notice of pending jury duty to the District.

Bereavement Leave

Educational support personnel receive bereavement leave on the same terms and conditions granted professional staff.

Leave Of Absence (5:250)

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period,

subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

FAMILY NEONATAL INTENSIVE CARE LEAVE (5:250)

An unpaid leave from work is available to any staff member whose child is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. If the District employs at least 51 employees, an employee is entitled to a total of 20 days of unpaid leave while a child of the employee is a patient in the NICU. District may require reasonable verification of the employee's child's length of stay in a NICU.

Personal Leave

Please refer to Article VI, Section 6.3 of the Board/Association Agreement.

Sabbatical Leave

Sabbatical leaves may be granted in accordance with The Illinois School Code.

Leave of Absence without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Child-Rearing Leave

The Board shall grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy.

A teacher must request, if possible, a child-rearing leave by notifying the Superintendent in writing no later than 90 days before the requested leave's beginning date. The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess.

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

General Assembly Leave

Leaves for service in the General Assembly as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Department of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher's child, if the conference or activity cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or National teacher organization that represents teachers in collective bargaining negotiations, (2) twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3 and (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

Any employee whose absence from employment is necessitated by reason of service in the uniformed services will be granted an unpaid leave of absence and will have the right to be reemployed if he or she:

- Ensures that the District receives advance written or verbal notice of his or her service;
- Has five years or less of cumulative service in the uniformed services while with the District;
- Returns to work or applies for reemployment in a timely manner after conclusion of service; and
- Has not been separated from service with a disqualifying discharge or under other than honorable conditions.

Upon the expiration of such leave of absence, each employee will be restored to his/her former job classification or to a position of like seniority, status and pay; unless, circumstances of the District have so changed as to make it impossible or unreasonable to do so.

Performance Evaluation (5:320)

The Superintendent is responsible for designing and implementing a program for evaluating the job performance of each educational support staff member according to standards contained in School Board policies as well as in compliance with State law and any applicable collective bargaining agreement. The standards for the evaluation program shall include, but not be limited to:

1. Each employee shall be evaluated annually preferably before the annual salary review.
2. The direct supervisor shall provide input.
3. The employee's work quality, promptness, attendance, reliability, conduct, judgment, and cooperation shall be considered.
4. The employee shall receive a copy of the annual evaluation.
5. All evaluations shall comply with State and federal law and any applicable collective bargaining agreement.

Family and Medical Leave (5:185)**Leave Description**

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.

5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a covered military member on active duty (or has been notified of an impending call or order to active duty, as provided in federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

“Serious Health Condition” – A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.
2. The employee is a full-time classroom teacher.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent aware that he or she needs a FMLA leave, and the anticipated timing and duration of the leave. Failure to give the

required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered service member with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered service member.
4. When the leave is because of a qualified exigency, the employee must provide (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee

who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from a FMLA leave will be given an equivalent position to his or her position before the leave, subject to (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

Victims' Economic Security and Safety Act

Leaves for Victims of Domestic or Sexual Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action. The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. § 2601 et seq.)

General Rules of Conduct
