Dear Incoming 6th Grade Parents:

There are specific regulations set forth by the Illinois Department of Education & the Illinois Department of Public Health to ensure a healthy school life for every student. The necessary forms are enclosed with this letter. They can also be found on our school website at www.robinsonschools.com under the Nurses tab. If you have any questions about these forms, please contact the school nurse at (618) 544-3315.

Below is a health requirements checklist, which should be met for every student enrolling in 6th Grade:

Sixth Grade Students:

- Physical Exam
 - Lead Risk must be completed on form by physician
 - Health History must be signed by parent/guardian and verified by health provider
 - **Sports physical NOT acceptable**
- Complete immunization record signed by a doctor, including **(1)Tdap, (1)Meningitis**-these are 6th-grade requirements
- Dental Exam on IL form due May 15, 2027 (dated within 18 months of May 15th deadline)

These documents are required by Illinois State Law. Your child will be excluded from school on October 15 of the next school year until the forms have been completed and turned in or you provide a signed letter/appointment card indicating your child has a scheduled appointment.

Documents may be faxed to (618) 544-4136, hand delivered to the Lincoln Grade School office, emailed to kweber@robinsonschools.com, OR mailed to the address below:
