ARTICLE I

Recognition

1.1 The Board of Education of School District #2, Crawford County, Robinson, Illinois, hereinafter referred to as the "Board," recognizes Community Unit Two Education Association, an affiliate of the Illinois Education Association and the National Education Association, hereinafter referred to as the "Association," as the sole and exclusive negotiating agent for all full-time certificated teaching personnel, hereinafter referred to as "employees," except for the Superintendent, other central office administrators or supervisors who devote more than fifty (50) percent of their time to supervisory duties involving recommendations or evaluations on staff, principals, assistant principals, reading consultant, aides, dean of students, and curriculum coordinator.

Part-time teachers employed on a yearly contractual basis shall be included in the bargaining unit but their benefits shall be prorated consistent with their fractional employment status. Individual employee insurance benefits shall be provided only to those teachers employed on a fifty (50) percent or more basis prior to June 1, 2000. Employee insurance shall be prorated consistent with their fractional employment status for all part time employees hired after June 1, 2000.

1.2 The Board agrees not to negotiate or to consult with any other employee's organization with regard to items contained in this Agreement.

ARTICLE II

Employee and Association Rights

2.1 Non-Discrimination

The Board nor the Association shall not discriminate against any employee for reason of race, creed, color, marital status, age, sex, or national origin, membership or non-membership in the Association. The Board shall not discriminate against any employee with respect to hours, wages, terms, or conditions of employment by reason of membership in the Association, or in negotiations with the Board, nor shall the Board discriminate against any employee for having instituted any grievance, complaint, or proceeding under this Agreement.

2.2 Right of Representation

When an employee is required to appear before the Board concerning any matter which could adversely affect the employee's continued employment, or result in a loss of salary, the employee shall be entitled to have an Association representative of his/her choice present. Further, whenever an employee is required to appear before the Board, for the above-specified matters, the employee shall be advised in writing at least twenty-four (24) hours in advance of the reasons for the requirement. If required to appear before the administration regarding issues that may lead to reprimand, the employee will be allowed an Association representative of his/her choice. In addition, the employee will be allowed to attach an explanation to any such written comments placed in the employee's personnel file resulting from such required meetings. If the employee feels these meetings or reprimands are vindictive and not based on valid administrative judgments, the employee may appeal to the Superintendent at a meeting with the Superintendent, the administrator involved, the employee, and an Association representative of the employee's choosing.

2.3 Personnel File

Each employee shall have the right, upon request twenty-four (24) hours in advance, to review the contents of said employee's personnel file and to place therein written reactions to any of its contents. The review shall take place at a time agreeable to the Superintendent but within two (2) business days for the central office of the request. A representative of the Association may, at the request of the employee, accompany the employee for this review. The Superintendent or his designee shall also be present during the review. Reprimands, other than Board-approved notices to remedy, will be removed from the employee's file after three (3) years, provided that the employee has successfully eliminated the cause of the reprimand and has received no additional reprimands relative to that or a similar infraction during said three (3) year period. Board-approved notices to remedy will be removed from the employee's file after five (5) years, provided that the employee has successfully eliminated the cause of the notice to remedy and has received no additional notices to remedy relative to that or a similar infraction during said five (5) year period.

2.4 Censorship

If an individual or group attempts to censor any textbooks, library materials or other instructional materials, the following procedure will be implemented:

A. All complaints regarding the use of any instructional or educational materials shall be submitted to the administration by a resident of the district.

B. A committee of employees competent in the pertinent subject area will be appointed by the Superintendent. The Association may name one member to any such committee. The committee shall review the complaint and submit a written recommendation to the Superintendent.

C. The Superintendent shall review the committee's recommendation and shall forward it and the Superintendent's own recommendation to the Board. Disposition of the disputed material will be at the discretion of the Superintendent pending action of the Board.

2.5 Meetings, Notices, and General Information

The Association may have reasonable use of:

A. School buildings for meetings after school if it does not interfere with normal educational activities and if approved by the principal.

B. Employee mailboxes, electronic mail, and interschool mail for the purpose of internal communication to employees eligible for the bargaining unit. A bulletin board will be provided for the Association in each lounge area. It is the responsibility of the Association to furnish the building principal with copies of unsealed or visible materials twenty-four (24) hours in advance. If the principal deems the materials objectionable, and they are not sealed, the Association will not distribute it pending appeal to the Superintendent.

C. School equipment, if in the judgment of the principal it does not interfere with educational purposes.

2.6 Association Matters - Board Agenda

The Board will place as items for consideration under "New Business" an Association Report on a permanent basis and any matters brought to its attention by the Association, so long as these matters are made known to the Superintendent forty-eight (48) hours prior to the regular meeting. Prior to any final Board decision regarding adding or eliminating programs, revisions in teaching periods, or reduction in force, the Board will notify the Association at least forty-eight (48) hours prior to the next Board meeting, and will take no final action if the Association requests, until the Association is given the opportunity to make recommendations regarding these changes.

2.7 Board Meeting Notification

The President of the Association or the President's designee shall be given written notice of all regular meetings of the Board together with a copy of the agenda or statement of purposes of each meeting at least forty-eight (48) hours prior to the scheduled time of the regular meeting. In the event of a special or emergency meeting the Association will be notified and given the agenda or statement of purpose when the members of the Board are given notice.

2.8 Board Minutes - Association Copies

All minutes of open-session public minutes of the Board shall be provided to the Association within twenty-four (24) hours of their approval by the Board. During the school year, the minutes will be placed in the Association President's mailbox. During the summer months, the minutes shall be mailed to the Association President.

2.9 Pertinent Information - Association

Upon one (1) week's advance written request to the Superintendent, the Association will be given copies of all public information at the time it becomes available. One copy of ISBE forms 50-35 and 50-36 will be provided each year at no cost to the Association.

Within thirty (30) days from the date the chief spokespersons have approved the typed draft of this agreement, the Board shall have sufficient copies of the agreement prepared and delivered to the Association for its distribution to each employee in the district. The method of reproduction of the Agreement shall be a copy machine. The Association shall pay for materials expended to produce the final Agreement.

2.13 Association Rights - Exclusive

The rights granted herein to the Association shall not be granted to any other competing employee organization during the terms of this Agreement, subject to the Association retaining its representative status.

2.14 Association - Board Meetings

The Association and the Board recognize the importance of communication in maintaining good relationships and agree to call special board meetings to discuss issues relating to pupil welfare and requirements of the district.

2.15 Employee Physical Fitness

The Board may from time to time, for a specific reason, require an examination of any employee by a physician licensed to practice medicine and surgery in all its branches and shall pay the expenses thereof from school funds. The physician will be chosen by mutual agreement.

2.16 Parent and Citizen Complaint

Any written complaint lodged with the administration or Board, or complaint to be acted upon which will directly affect a teacher, shall be made known to the employee in writing as soon as all the particulars are known and charges made. The notice of receipt of a written complaint will carry the complainant's name and the particulars of that complaint.

2.17 Fair Share

A. Each Bargaining Unit Member, as a condition of his/her employment, on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, shall join the Association or pay a fair share fee to the Association equivalent to the amount of dues uniformly required of members of the Association, including local, state and national dues.

B. In the event that the Bargaining Unit Member does not pay his/her fair share fee directly to the Association by a certain date as established by the Association, the Board shall deduct the fair share fee from the wages of the non-member.

C. Such fee shall be paid to the Association by the Board no later than ten (10) days following deduction.

D. In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:

1. The Employer gives full and complete cooperation to the Association and permits the Association intervention as a party if it so desires; and,

2. The Employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and all appellate levels.

E. The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer's compliance with this Article.

1. It is expressly understood that this save harmless provision will not apply to any claim, demand, suit or other form of liability which may arise as a result of any type of willful misconduct by the Board or the Board's imperfect execution of the obligations imposed upon it by this Article.

F. The obligation to pay a fair share fee will not apply to any Employee who, on the basis of a bona fide religious tenet or teaching of a church or religious body of which such Employee is a member, objects to the payment of a fair share fee to the Association. Upon proper substantiation and collection of the entire fee, the Association will make payment in behalf of the Employee to a mutually agreeable non-religious charitable organization as per Association policy and the Rules and Regulations of the Illinois Educational Labor Relations Board.

ARTICLE III

Employee Evaluation

3.1 The framework for this article was bargained before PERA legislation (P.A. 96-861) was enacted. The parties intend that each provision contained herein be PERA compliant. To the extent anything in this article or the evaluation plan conflicts with PERA, PERA shall control.

Procedure

3.2 Non-tenure employees shall be evaluated at least twice each school year. Tenured employees shall be evaluated at least once every other school year.

3.3 Within one (1) month after the beginning of the school term or one (1) week prior to the first evaluation within the building, whichever is first, the building principal will acquaint each employee under said supervisor's supervision with the formal evaluation procedures, and the evaluation instrument(s) and/or methods used by the evaluator(s) for formal evaluation, and the principal or immediate supervisor shall advise each employee as to those who may observe and evaluate the employee's performance. No formal evaluation may take place until such orientation has been completed. Employees will be given at least two (2) weeks' notice of any changes in procedures, instruments, methods, or evaluators which affect their formal evaluation(s).

3.4 Formal and Informal Observations

A. The administration shall evaluate each employee in writing, using an evaluation instrument designed in cooperation with the Association. All formal evaluations will be preceded by an in-class observation of the employee's classroom performance. One calendar week notice is required for a pre-conference before a formal observation. Formal observations will be conducted for a minimum of forty-five (45) minutes at a time, a complete lesson, or an entire class period.

B. 3.5 The evaluator shall have a meeting with the employee following the evaluation to discuss the evaluation. The evaluator shall provide the employee a written copy of the evaluation. The evaluator will conduct the post conference within ten (10) working days following the completion of the evaluation. The post conference will be scheduled at a mutually agreeable time. The post conference will be conducted in privacy.

3.7 The employee shall have the right to attach an explanation to any evaluation.

3.8 No later than sixty (60) days before the end of the school term, the administrator shall complete a written evaluation report and make recommendations as to employment of non-tenured employees. Evaluations of tenured employees shall be completed no later than forty-five (45) days before the end of the school term.

3.9 Agreeing to the procedures delineated in sections 1-8 above does not limit the right of management to utilize informal observations, insubordination, or other evaluative criteria for considering competency of any employee. If any of these evaluations are to be used in evaluating the employment status of an employee, a written statement will be placed in the employee's file and the employee will be allowed to place a response in his/her file.

3.10 Grievance

Any grievance filed relative to this Article shall be limited to violations of the above specified reasons.

3.11 Hearing, Discipline

I. If a tenured employee has been given notice of dismissal for the reasons or causes specified in Section 10--22.4 of the School Code, a hearing as mandated by law will be held within ten (10) days, at which the following shall be guaranteed:

- A. The hearing will be conducted by an impartial hearing officer selected according to procedures provided by Sections 24--12 and 24--16 of the Illinois School Code.
- B. The employee will have been formally evaluated at least once during the school year in which the hearing takes place.
- C. No evidence will be presented which was not made known to the employee prior to the hearing.
- D. The occurrence of the hearing constitutes a waiver by the employee of any further recourse through Article II or VIII.

II. No tenured employee shall be disciplined--including warnings, reprimands, suspensions, discharges, or other actions of a disciplinary nature--without just cause. Any such discipline shall be subject to the grievance procedure hereinafter set forth including arbitration. The specific grounds forming the basis for the disciplinary action will be made available to the employee and the Association in writing.

III. Except for dismissal, no non-tenured employee shall be disciplined--including warnings, reprimands, suspensions, discharges, or other actions of a disciplinary nature--without just cause. Any such discipline shall be subject to the grievance procedure hereinafter set forth including arbitration. The specific grounds forming the basis for the disciplinary action will be made available to the employee and the Association in writing.

Re-certification requirements shall be recognized as improving the employee's professional development and which have the prior approval of the Superintendent.

5.2 New Employees Credit for Experience

New employees will be given credit for public school teaching experience outside the District, including experience outside the State. Previous experience credit granted by the Board will not be affected.

5.3 Employee Work Day

Each employee shall be in his/her building fifteen (15) minutes before the beginning of the students' school day, tending to professional obligations, except for those assigned supervisory duties. The employee's workday shall end when he/she feels that his/her professional obligations have been met but no earlier than fifteen (15) minutes after the final student class dismissal. Teachers will remain a reasonable period of time after dismissal for parent conferences, provided that the parents schedule the conference with the teacher in advance. Meetings or conferences required by the Principal or Superintendent will be called only when necessary, and every effort will be made by the administration and the employee to limit those meetings or conferences to forty-five (45) minutes.

5.4 Duty Free Lunch

Every employee shall be allowed a duty-free lunch period as required in Section 24--9 of the School Code of the State of Illinois. Any changes legislated in Section 24--9 will become effective on September 1 following the date at which it becomes law.

5.5 Employee Planning

The employee will plan and prepare lessons in advance and furnish accurate plans to assist substitutes. It is understood that lesson plans may be educationally valuable and that from time to time if requested an employee will report to the administrator on the current status of his/her course of study.

5.6 Health Records and Related Testing

It is recognized that the keeping of student health records and related testing is the function of the school nurse. The employee shall not be required to keep student health records or to manage or assist in health related testing.

5.8 School Calendar

The Board or its designee shall submit to the Association president by February 1 of each year two (2) proposed school calendars for the next school year. The Association shall by March 1 recommend a calendar to the Board. The Board shall then establish a school calendar, which does not exceed 185 school days. If the five emergency workdays are not used for emergency purposes, they shall not become employee workdays. The Association will be consulted prior to discussions and decisions on the scheduling of these days off. The definition of emergency will be determined by the Board.

5.9 Conference Period

Employees may leave the building if the employee notifies the building principal or his/her designee indicating where they may be reached if needed. If in the judgment of the principal an individual employee is abusing this privilege, it may be withheld pending appeal to the Superintendent's judgment.

5.10 Elementary Released Time

Prior to final assignment of special employees, the Superintendent or his designee will, if requested, meet with a committee comprised of one (1) representative from each elementary building appointed by the Association to discuss the assignment and seek recommendations in an attempt to provide consistency between employees, special employees, and buildings. The Principal will attempt to secure substitutes whenever a special employee is unavailable.

When an employee is required by the administration to forfeit his/her preparation/planning time to fill in for a special employee or special education staffing, he/she will be paid at a rate specified in Schedule B.

Special education staffing at the K-5 level will not be scheduled during planning time created by the utilization of special employees. If no other time is available for staffings, the employee will be reimbursed as above. At no time will staffings occur during the employee's lunch time.

5.11 Inclusion

When the District considers placing a "substantially impaired" student (as such term is defined below) in the classroom of a teacher who is assigned primarily to teach the non-disabled student population, the District shall cause at least one such teacher so affected to participate in the development of the child's IEP, and may also cause any such teacher to be a part of multi-disciplinary conferences for the purpose of developing or considering placement recommendations for such child. In elementary grades, such teacher(s) will usually be the child's classroom teacher, but special circumstances may require the use of other or additional teachers. For students other than elementary, the District may select a teacher or teachers it believes are significantly affected.

Substantial and burdensome disabling condition means a serious, non temporary condition of a student which condition necessitates regular and repeated changes to the teacher's activities in order to accommodate the student's educational needs. A student who is expected to achieve at grade or age level, with only modest special education assistance, such as a resource room, is not a student with a substantial burdensome disabling condition.

B. Attendance at MDC and IEP meetings

1. The District shall endeavor to solicit input from teachers who might be assigned (in future) to teach "substantially impaired" special education students prior to the development of an IEP. In addition, the District shall endeavor to solicit input from teachers who have taught "substantially impaired" students whose IEPs are

being reviewed. This input may include the teacher's written statements of ideas, concerns, suggestions and the like,

and may include the teacher's participation in the IEP meetings. However, no IEP meeting may be delayed or postponed solely due to the unavailability of a teacher except as is otherwise required by law.

2. If a teacher believes another professional should be invited to an IEP or MDC, the teacher shall call the matter to the attention of the Special Education Coordinator.

3. If a teacher believes that a student's IEP is failing to provide an education from which a child can benefit, the teacher shall call the matter to the attention of the Special Education Coordinator.

4. Each teacher of the non-disabled student population who has a "substantially impaired" child assigned to his/her classroom or teaching area shall have access to a copy of the child's IEP.

C. Special Education Liaison Committee

A Special Education Liaison Committee shall be established consisting of up to three administrators, including the Special Education Coordinator, and three teachers appointed by the Association, to discuss problems related to "substantially impaired" students as defined herein. Such committee may not discuss individual students or student records but may discuss problems and suggest solutions or alternate techniques of delivering educational services. This committee shall meet at least once per semester and more frequently on joint agreement. An agenda will be developed for the meeting on the basis of either suggestions of the teachers or administration, but no new item will be added to the agenda fewer than five (5) school days prior to the meeting, unless by mutual agreement.

D. Nothing in the agreement permits the disclosure of any student record, including any IEP, to any person except where required by law including, but not limited to, grievance arbitrators.

5.12 Extra-curricular assignments

Extra-curricular duties shall be assigned on a voluntary basis.

5.13 Additional Work Day

An employee who is required to work additional days beyond the regular attendance year shall either be paid on a per diem basis or receive compensatory leave. The employee will elect. Use of compensatory time must be approved by the building principal and cannot be used to extend vacations, holidays, or any other time school is not in session.

5.14 Student Orientation

Student orientation will not be held prior to the first faculty attendance day.

5.15 Workshop Reimbursement

An employee who attends professional development activities encouraged by the administration on nonattendance days may choose a compensatory day in lieu of a stipend.

5.16 Multiple Class Assignments

No teacher shall be assigned multiple class sections during one (1) class period of block without consultation among the teacher, the association, and the administration. The consultation will be documented at least thirty (30) days prior to the beginning of class.

5.17 Conferences

Administration will schedule the October SIP day the day prior to parent-teacher conferences effective 2015-2016.

ARTICLE VI

Employees will not advance on the salary schedule while on any approved leave of absence without pay.

6.5 Sabbatical Leave

Sabbatical leaves may be granted as per Section 24--6.1 of the Illinois School Code.

6.6 Association Leave

The Board will provide fifteen (15) days of Association leave to be utilized at the discretion of the Association for attendance at official IEA conferences, workshops and legislative hearings according to the following schedule:

- A. The first six (6) days the cost of substitute teacher to be shared equally by the Association and the Board.

- B. Next nine (9) days with the cost of substitute to be paid by the Association. The Association President will be allowed a total of fifteen (15) days of released time distributed at the discretion of the Association at no cost if the Association provides substitutes from its members. If the administration is required to provide substitutes, and if substitutes are available, the President will be released if the Association reimburses the Board for the actual cost of the substitute.

The President of the Association shall submit a written request to the Superintendent at least one (1) week in advance of anticipated usage.

In case of emergency, and with the approval of the Superintendent, the above timeline may be waived. The Superintendent will notify the Principal of requested leave. The Superintendent's decision to disapprove such an emergency request is final and cannot be grieved under any provision of this Agreement.

6.7 Professional Leave

- A. Upon seventy-two (72) hours advance notice, and if approved by the Superintendent or his/her designee, the Board shall grant a minimum of one (1) professional leave day per school term, without loss of pay, to be used to attend conferences, to complete oral exams required for advanced degrees or to attend workshops related to the individual teaching areas or professional growth if approved by the building principal. Employees may request additional professional leave days, which shall be subject to the approval of the building Principal and Superintendent.

- B. Each Special Education employee who is responsible for the preparation of IEPs and/or special education testing will be granted a minimum of the equivalent of one day of release time annually for such work. Additional release time may be arranged upon the mutual agreement of the Special Education employee and building principal. Release time will be scheduled by the employee and the Principal.

ARTICLE VII

Employee Compensation and Fringe Benefits

7.1 Salary Schedule

The salary schedule shall be as set forth in Appendix "A" that is attached and incorporated into this Agreement. The schedule shall be based on 180 workdays and shall be effective on the first day of the school term, 2017. The supplemental pay schedule shall be as set forth in Appendix "B", which is attached and incorporated into this Agreement.

7.2 Pay Period Options

The Employee shall have the right to receive his/her pay in eighteen (18) or twenty-four (24) equal installments. The employee shall notify the business office of his/her preference by June 1. Each employee shall be given a copy of the federal and state income tax table used in calculating his/her pay. If there is any change in the tax table used in calculating pay, employees will receive a copy as soon as enough copies are received from the federal or state government.

7.3 Employee Insurance

The Board agrees to provide employee health and life insurance and the Board agrees to provide employees with the option to take dependent health insurance coverage. The Board will pay the full premium for the term life policy in the amount of \$50,000 per employee.

The Board shall offer a choice of plans to the membership: Traditional and HSA. With the HSA policy option, the difference in traditional plan annual premium and HSA plan annual premium will be deposited into an HSA for that employee at the start of the school year.

For the 2017-2018 school year, the Board agrees to pay \$721.03 monthly (equivalent to 100% of the traditional plan individual premium) toward the individual premium and \$1,534.37 towards family coverage. In subsequent years, the Board will increase the contribution toward the individual premium by up to 6% per year. The Board's contribution toward the family premium will be as listed below.

For example:

For the 2018/2019 school year, the Board agrees to pay \$764.29 of the individual premium and \$1,577.63 towards family coverage.

For the 2019/2020 school year the Board agrees to pay \$810.15 of the individual premium and \$1,623.49 towards family coverage.

For the 2020/2021 school year the Board agrees to pay \$858.76 of the individual premium and \$1,672.10 towards family coverage.

Any increase in excess of 15% will be shared 50/50 by the Board and the employee.

The Board will not be required to pay in excess of actual premium of the traditional (PPO) plan, but the calculated maximum for the individual plan will serve as the base for the following year. The calculated maximum for the family plan will be raised the same dollar amount as the individual plan.

In the event the Board considers a change in the health insurance, the Association will be allowed to submit advisory recommendations.

The basic specifications for the health insurance program are set forth in Appendix C.

No changes shall be implemented during the term of this agreement with respect to the terms and conditions of insurance coverage without ratification by both parties.

7.4 Employee Use of Personal Cars

Employees shall be reimbursed at the IRS rate per mile if such travel is required for the position. Only approved jobs will qualify for reimbursement.

7.5 Retirement

Any employee, at a minimum age of fifty (50), may choose either the local early retirement plan or a State early retirement plan. The employee shall choose only one (1) plan. Once an employee has selected an option, this selection is irrevocable.

Retiring Teacher Salary Enhancement Program

The Retiring Teacher Salary Enhancement Program is for the purpose of recognizing the service of those teachers who have been employed by the School District for 10 or more years and is made available in exchange for an irrevocable notice of resignation and retirement. The terms of the Retiring Teacher Salary Enhancement Program are as follows:

Qualifications

In order to be eligible for the District's Retiring Teacher Salary Enhancement Program a teacher must meet the following qualifications:

1. As of the date of retirement the teacher must have been employed by the Robinson CUSD#2 School District as a certified staff member for not less than 10 years.
2. As of the date of retirement the retiring teacher must not be participating in any retirement program, which requires a payment or contribution by the District (e.g., ERO or modified ERO). The district may require documentation of eligibility.
3. Whenever a teacher who has a minimum of ten (10) years of full-time service in the District is first eligible to retire without an ERO cost to the Board, he or she must retire within the first two years of eligibility in order to receive a 6% salary enhancement. Salary enhancement will be 5% for teachers retiring in the third or fourth year of eligibility. Salary enhancement will be 4% for teachers retiring in the fifth year of eligibility. Any teacher not retiring within the first five (5) years of eligibility will be ineligible for a retirement incentive under this article.
4. Teachers electing to participate in the one-year program shall, by no later than the first day of March of the year of retirement, submit to the Board of Education an irrevocable written letter of resignation and retirement advising the Board of the teacher's retirement at the end of the current school term.

Teachers electing to participate in the two-year program shall, by no later than the first day of March preceding the year of retirement, submit to the Board of Education an irrevocable written letter of resignation and retirement advising the Board of the teacher's retirement at the end of the subsequent school term.

Teachers electing to participate in the three-year program shall, by no later than the first day of March two years preceding the year of retirement, submit to the Board of Education an irrevocable written letter of resignation and retirement advising the Board of the teacher's retirement at the end of the school term two years out.

Teachers electing to participate in the four-year program shall, by no later than the first

day of March three years preceding the year of retirement, submit to the Board of Education an irrevocable written letter of resignation and retirement advising the Board of the teacher's retirement at the end of the school term three years out.

Teachers electing to participate in the five-year program shall, by no later than the first day of March four years preceding the year of retirement, submit to the Board of Education an irrevocable written letter of resignation and retirement advising the Board of the teacher's retirement at the end of the school term four years out.

Salary Enhancement

The salary enhancement provided under the terms of this program shall be as follows:

1. Teachers qualifying and applying for this salary enhancement program shall have their prior year TRS creditable earnings increased in their final year(s) of employment by the percentage indicated in paragraph 3 under the "Qualifications" heading above. Where applicable to multiple years, the increase shall be compounded (for example if the teacher is eligible for the 5% enhancement, the TRS salary will be 105% of the previous year's salary for each year of eligibility).
2. The board will pay a post retirement, non-salary severance bonus of \$10,000 dollars not subject to TRS reportable income or district penalties. All non-salary post retirement severance bonuses will be paid no later than seven calendar days after the retiree's last regularly scheduled paycheck or the last day of employment, whichever is later, but in any event said payment will be made so as to preclude any school district penalty.

Other Conditions

In recognition that circumstances may change after a teacher has submitted an irrevocable letter of resignation and retirement in order to participate in the salary enhancement program, the following additional conditions are set forth:

1. In emergency situations, a teacher may submit to the Board a written request to withdraw the irrevocable letter of resignation and retirement. Acceptance of the request is at the sole discretion of the Board. If the request is granted the teacher will be required to reimburse the District all amounts received by the teacher under the Retiring Teacher Salary Enhancement Program in excess of what the teacher would have otherwise received in a salary increase. The teacher will not be eligible for future participation in the Retiring Teacher Salary Enhancement Program.
2. The calculation of the salary enhancement, as set forth above, presumes that during the year(s) in which the teacher is receiving the salary enhancement the teacher will be providing the same level of service as provided in the base year used in the calculation. It would be inequitable either for the District to require the teacher provide additional services or for the teacher to provide less services. Accordingly, the following will apply:
 - a) During the year(s) in which the retiring teacher is receiving the salary enhancement the Board will not require or compel the teacher to perform any additional duties which would otherwise increase the teacher's compensable earnings. (For example, the Board will not extend the teacher's contract or assign additional duties).
 - b) If, during the year(s) in which the retiring teacher is receiving the salary enhancement, the teacher is voluntarily providing less services, such as working

less than full time, not responsible for an extra duty which was part of the teacher's assigned responsibility in the base year, or responsible for an extra duty paying a lesser salary than the extra duty which was part of the teacher's assigned responsibility in the base year, the calculation of the teacher's salary enhancement will be adjusted to reflect the reduction in the level of services being provided. (For example, if a teacher participating in the salary enhancement program received \$42,000 in TRS creditable earnings in the prior year, of which \$40,000 was salary and \$2,000 was for extra duties, but in the salary enhancement year(s) voluntarily discontinues performing the extra duty, then the percentage of salary enhancement shall be based upon the \$40,000 not the \$42,000.)

- c) If, during the year(s) in which the retiring teacher is receiving the salary enhancement, the teacher is involuntarily providing less services, such as working less than full time, not responsible for an extra duty which was part of the teacher's assigned responsibility in the base year, or responsible for an extra duty paying a lesser salary than the extra duty which was part of the teacher's assigned responsibility in the base year, the calculation of the teacher's salary enhancement will not be adjusted to reflect the reduction in the level of services being provided. (For example, if a teacher participating in the salary enhancement program received \$42,000 in TRS creditable earnings in the prior year, of which \$40,000 was salary and \$2,000 was for extra duties, but in the salary enhancement year(s) the District did not assign the teacher the extra duties or assigned extra duties with lesser compensation, then the percentage of salary enhancement shall be based upon the \$42,000, not the \$40,000.)

Other Considerations

In cases where salary increases to the negotiated salary schedule would be greater than the salary enhancements contained in the section, the retiring teacher will receive the greater of the two increases.

Eligible teachers may elect to submit their intent to retire notice under the language contained in section 7.5 of the 2011-2014 Collective Bargaining Agreement between the Board of Education and CUTEA until October 1, 2014 and receive the benefits contained in that agreement.

7.6 Employee Retirement Contribution

From the established salary schedule, according to authority granted by the Pension Reform Act of 1974, Section 414(h) (2) of the Internal Revenue Code, the Board of Education agrees to pay to the Teacher Retirement System on behalf of each teacher, the percentage of earnings specified by law for each teacher, and will shelter said amount for tax purposes. The Board will continue to pay to TRS from future established compensation schedules, on behalf of each teacher the percentage of the teacher's respective gross scheduled earnings specified by law. Should any of the above be declared improper by an IRS ruling or opinion, that clause or portion thereof shall be deleted from this Agreement to the extent that it violates the ruling or opinion.

7.7 Homebound Teaching

When a student is confined to home due to injury or illness, that student's regular teachers shall have the right to first refusal upon the assignment. Homebound teaching shall be reimbursed at a rate specified in Schedule B.

7.8 Tuition Reimbursement

The Board shall reimburse a teacher for a portion of the cost of tuition for courses taken at an accredited institution

of higher education under the following conditions:

- A. The course is toward an advanced degree or the course is in the employee's teaching area.
- B. The course is toward an advanced degree, which improves the employee's professional development if approved by the Superintendent. Application for approval shall be made prior to the first course meeting date and a written response shall be made within five working days of receipt of the application.
- C. Other courses or workshops may be reimbursed if approved by the Superintendent. Application for approval shall be made prior to the first course meeting date and a written response shall be made within five working days of receipt of the application.
- D. The Board will reimburse a teacher for a total of no more than sixteen (16) semester credit hours per year. However, the teacher may only be reimbursed for six (6) credit hours in the fall semester and six (6) credit hours in the spring semester.
- E. Employees will be reimbursed no later than three months following submission of proof of completion.
- F. If available, tuition waivers must be utilized prior to reimbursement.
- G. Reimbursement will be at the rate equal to 75% of the credit hour tuition charge at Eastern Illinois University
- H. No tuition will be reimbursed for courses taken during leaves of absences under section 6.4.A.
- I. Former employees who are involuntarily released will be reimbursed no later than three months following submission of proof of completion.
- J. Two years after receiving the 75% reimbursement, teachers still employed by the District shall receive the remaining 25% reimbursement. Teachers involuntarily released within 2 years of receiving the 75% due to a reduction in force, non-renewal in the case of a non-tenured teacher, or a medical reason shall receive the additional 25% within 10 days of their last day of employment.

7.9 Speech Language Pathology

The Board shall reimburse speech language pathologists for the annual cost of American Speech Hearing Association certificate of clinical competencies.

7.10 National Board

Upon completion of the National Board for Professional Teaching Standards Certification, the employee shall receive college credit on the salary schedule as recommended by the National Board for Professional Teaching Standards. Employees who previously received college credit shall be credited on the salary schedule to match the current recommendation.

7.11 403B

In the event the Board considers a change to the 403B plan or carrier, a committee will be formed comprised of one (1) representative from each attendance center (appointed by the association), and an equal number of representatives appointed by the Superintendent to select and make recommendations to the Board.

7.12 Right of First Refusal

Certified teaching staff shall have right of first refusal for any paid position not on Schedule B Groups 1-6A, such as : ticket takers, summer maintenance, Saturday School, after-school detentions, Saturday Homework, tutoring, etc.

7:13 Athletic Pass

By the first day of school, certified teaching staff shall receive free athletic passes for themselves and one additional person.

ARTICLE VIII

8.1 Procedure

Any claim by the Association or any employee as to the meaning or application of any of the provisions of this Agreement shall be cause for a grievance. A grievance must be filed within sixty (60) working days of the violation or sixty (60) working days from the time the grievant should have become aware of the violation, whichever is later.

Should a grievance arise, the following procedure shall be placed in operation:

Step 1. The grievant shall present the grievance in writing specifying the article and clause alleged to have been violated and stating the remedy sought, to the principal immediately involved, who will arrange for a meeting to take place with the grievant within ten (10) days after the receipt of the grievance. The supervisor shall provide a written answer to the grievant within ten (10) days of the receipt of the grievance.

Step 2. If the grievant is not satisfied with the disposition of the grievance at Step 1, the grievant may refer the grievance in writing to the Superintendent within ten (10) days after the receipt of the Step 1 answer. The Superintendent will arrange for a meeting to take place with the grievant within ten (10) days after his receipt of the grievance. The Superintendent shall provide a written answer to the grievance within ten (10) days after the meeting.

Step 3. Should a grievance not be settled at Step 2, the Association may submit the grievance to final and binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, which shall act as the administrator of the proceedings. If a demand for arbitration is not filed within thirty (30) days of the date for the Step 2 answer, then the grievance shall be deemed withdrawn.

A. Neither the Board of Education nor the Association shall be permitted to assert any grounds or evidence before the arbitrator, which has not previously been disclosed to the other party.

B. The arbitrator, in his opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. His authority shall be strictly limited to deciding only the issues presented to him in writing by the School District and the Association, and his decision must be based only upon his interpretation of the meaning or application of the express relevant language of the Agreement.

C. Each party shall bear the full costs for its representation in the grievance procedure.

D. If either party requests a transcript of the proceedings, that party shall bear full costs for that transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Board and the Association.

E. Each party shall share equally the cost of the arbitrator and the AAA.

8.2 Time Limits

A. All time limits shall consist of school days, except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all weekdays.

B. A grievance may be withdrawn at any level without establishing precedent.

C. Time Bar - Failure of a teacher or the Association to act on any grievance within the prescribed time limits shall bar any further appeal.

D. Class Grievance - Class grievance involving more than one teacher and/or one or more supervisors shall be initially filed by the Association at Step 2.

E. Step 1 of the grievance procedure may be bypassed and the grievance brought directly to Step 2 if mutually agreed upon by the grievant and the immediately involved principal.

F. The time lines may be extended without penalty, if there is mutual written consent.

8.3 Report Form

In order to standardize grievance reporting, the Board and the Bargaining Unit agree to mutually develop and use a Grievance Report Form.

ARTICLE IX

Negotiations Procedure

9.1 The parties agree that their duly designated representative shall negotiate in good faith.* Failure of the Association or the Board to request that the contract be renegotiated prior to the April 1 preceding the termination date will automatically renew the Agreement for another year from the date of termination. Each party shall select its own representatives. Negotiations shall begin no earlier than April 1.

9.2 If agreement is not reached within forty-five (45) days prior to the termination of this Agreement, either party may declare to the other in writing that an impasse exists and call for a mediator.

9.3 When an impasse has been declared, the Federal Mediation and Conciliation Service shall be requested by the parties to appoint a mediator from its staff. The mediator shall meet as soon as possible with the parties or their representatives or both, either jointly or separately, and shall take such steps as the mediator deems appropriate to persuade the parties to resolve their differences and effect a mutually acceptable agreement.

*Good faith, for the purposes of this Agreement, is defined as the willingness of both parties to meet, discuss the issues, make proposals, and counterproposals. It does not imply acquiescence or concession to either party's demands, either in whole or in part.

ARTICLE X

Reduction in Force - Seniority Defined - Recall

10.1 Seniority Defined

- A. Seniority shall be defined as continuous length of service within the district and as a member of the bargaining unit in a position requiring licensure. Seniority shall begin with the first employee work day.
- B. Part-time teachers and any additional tenured teachers who have been, or will be reduced, to part-time status shall accrue seniority on a percentage basis. This percentage will be calculated by comparing the part-time teacher's assignment to the assignment of a full-time teacher having a similar assignment.
- C. Board approved leaves of absence shall not interrupt seniority.

10.2 Equal Seniority

Teachers having equal seniority and being in the same evaluation grouping shall be ordered by the following steps until the tie is broken:

- A. Length of public school teaching experience, which is allowed for credit on the salary schedule.
- B. Highest degree attained and recognized on the salary schedule.
- C. Most graduate hours attained and recognized on the salary schedule.
- D. Random selection (agreed upon by affected teachers)..

10.3 Reduction In Force Management Rights

The Association shall be provided with thirty (30) days' notice prior to any official Board action effectuating a reduction in force. The Board has the management rights to make reduction in force decisions, and the Association expressly and unqualifiedly waives its rights to bargain such decisions and the impact of such decisions.

10.4 Recall

If a position becomes available within two (2) years, recall shall be as follows:

2. The Board shall attempt to make contact with the teacher by certified mail, personal e-mail, and phone call. It is the employee's responsibility to keep the Central Office up-to-date with this information. Failure to respond within twenty (20) calendar days after the mailing of the Board's letter to recall sent by certified mail to the teacher's address on file with the Board recalling such teacher, shall result in termination of the teacher's rights of recall hereunder.

ARTICLE XI

11.2 Demonstrations

DISCIPLINE

Both parties agree that an effective but fair method to resolve discipline problems is essential to both the schools and the well-being of the students. However, the establishment and enforcement of District policy on discipline is the sole exclusive responsibility of the Board of Education.

Since both parties realize the importance of discovering possible breakdown in the process at the earliest possible time, the following channels of communication are hereby created:

1. The Board will appoint one of its members to be responsible for providing internal communications. Any teacher who feels the District's discipline policy is not being properly administered may inform his or her building representative, who will then in turn report it in writing to the Board representative. The internal communicator, upon investigation, will see that all the Board members are informed of the incident in question. The full Board will then pursue those steps it deems necessary.
2. Should the employee feel that he/she is being discriminated against solely because of his/her use of the discipline section of this memorandum, he/she will have the right to file a grievance under Article VIII, Grievance Procedure, as contained in the negotiated contract.

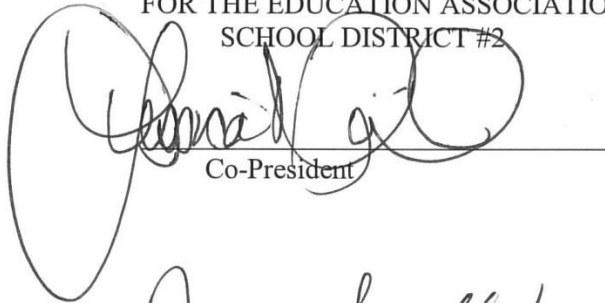

MEMORANDUM OF UNDERSTANDING

The Board of Education and Administration are sensitive to the fact that elementary teachers do not have the same preparation time opportunities during the student day as enjoyed by the middle and high school teachers. The Board of Education and Administration will continue to evaluate various options to address this important issue. The Board and Administration will involve the Association in the evaluation of the various options. The intent of the Board is to provide more elementary planning time as soon as feasible.

Each fall, the administration will consult with the Association Committee to schedule parent/teacher conferences.

This Memorandum of Understanding is not a part of the parties' collectively bargained agreement and is specifically exempt from the grievance Article of that Agreement.
