Dear Washington School Families,

On behalf of the Washington Elementary School staff, I would like to extend you a welcome to our online registration. At Washington, we see families as our partners in education. When a strong connection and cooperative spirit exists between the home and the school, great things happen for children.

I encourage you to develop a working relationship with your child's teacher. The student planners which will be given to you during your open house are an integral part of our school-home communication system. These planners allow for daily written communication between school and home. You are also always welcome to contact the school by phone or e-mail as well. My e-mail address is jstark@robinsonschools.com or you may reach me by phone at 544-2233.

Another important component of the school-home partnership is our annual Open House/Meet the Teacher events. Please feel free to bring your child along to meet his/her teacher. Also, please bring your child's supplies that night. You will also be able to make adjustments to transportation that night as well in the WES office. Please stop by the school anytime during your allotted time as there are no presentations the teachers will be doing at a set time. If you are new to Washington we highly encourage you to attend the Open House. Open Houses will be held at the following times:

Kindergarten	Thursday, August 15 th 5:30-6:30 PM
First Grade	Thursday, August 15th 4:00-5:30 PM
Second Grade	Thursday, August 15 th 5:00-6:00 PM

****Get-Set students will be mailed information about registration/orientation. Do not Register Get Set online.**

Class placements will be available by Monday afternoon, August 12th on your Skyward account. No class lists will be posted. Our first day of school will be Monday, August 19th, 2024 and will be a full day of attendance. Students will be dismissed at our regular time of 2:35 P.M..

Please look over the registration information page for WES on Skyward for more information! It's been great to see so many of you this summer at so many community events and activities. I am looking forward to working with you this year. Enjoy the last few days of your children at home this summer!

Sincerely,

Jason Stark
Principal
